13. Diğer iş deneyimleri

İş Deneyimi

- Davetli çalıştay konuşmacısı, Güvenli Yol Projesi Çalıştayı, Kocaeli Büyükşehir Belediyesi 2015.
- Kurs konuşmacısı, "Towards efficient data analysis and visualization in Transportation Engineering: Experience with Python", Teksas Üniversitesi Austin Kampüsü Ocak 2015
- Kurs konuşmacısı, "Yöneticiler için Yol Güvenliği Eğitimi", Avrupa Birliği Kuzey Kıbrıs Ofisi, Lefkoşa, 2011
- Ziyaretçi araştırmacı, Ulaşım Araştırma Merkezi (Center for Transportation Research), Teksas Üniversitesi Austin Kampüsü Temmuz 2003
- Ziyaretçi araştırmacı, Ulaşım Araştırma Merkezi (Center for Transportation Research), Teksas Üniversitesi Austin Kampüsü Şubat 2001
- Assistant Manager of Special Projects, Teksas Eyaleti Ulaştırma Dairesi 1993-1997
 - Designed and taught cost estimation course to the estimators of the Texas Department of Transportation
 - Introduced new methods and technology to strengthen the budgetary and estimation capabilities of the agency.
 - Provided consultation and training on engineering management systems and resource allocation to Districts and Divisions of the Texas Department of Transportation as necessary.
 - Co-developed a cost index used by senior management for budget oversight.
 - In cooperation with the Federal Highway Administration prepared and conducted a detailed survey on cost estimation process needs of Texas DOT estimators.
 - Played a key role in converting the historical bid information of English System Bid Items to Metric System Bid Items.
 - Developed interface software to allow the estimators to transfer information from PC-based estimation software(Highest) to Mainframe-based database.
 - Revised the *Estimates* section of the "Design Manual for Engineers" of the Texas Department of Transportation.
 - Modified and co-instructed course material on Preconstruction Engineering Management System (PEMS) to the employees of the Texas Department of Transportation.
 - Worked on resource allocation study for department-wide staffing decisions.
 - Assisted in introducing project management software that has streamlined the highway project design procedures of the Texas Department of Transportation.

- Araştırma Görevlisi, Teksas Üniversitesi Austin Kampüsü, Ulaşım Araştırma Merkezi, 1989-93

Profesyonel Kurslar
