

CURRICULUM VITAE

Name and Surname : Khaled Marar
Employment Status : Full Time, Prof.Dr. (Eastern Mediterranean University, Department of Civil Engineering)
Nationality : TRNC
Date of Birth : 3rd July 1965
Gender : Male
Marital Status : Married
No. of Children : 2
Permanent Address : Onlar İnşaat, Batıkent, No. 28, Yeni Boğaziçi Gazimağusa, Mersin 10 Turkey, TRNC
Telephone : + 90 392 630 2027
e-mail : khaled.marar@emu.edu.tr

EDUCATIONAL QUALIFICATIONS

<u>Department/University</u>	<u>Year</u>	<u>Subject</u>
Civil Engineering/Eastern Mediterranean University -TRNC	2000	Ph.D.
Civil Engineering/Eastern Mediterranean University - TRNC	1994	M.Sc.
Civil Engineering/Eastern Mediterranean University - TRNC	1988	B.Eng.

THESIS TITLES

1. M.Sc. Thesis: “Effects of Crushed Stone Dust on Various Properties of Concrete”, Department of Civil Engineering, Eastern Mediterranean University, 1994.

2. Ph.D. Thesis: “The Effect of Steel Fibers on Some Properties of Normal and High Strength Concrete”, Department of Civil Engineering, Eastern Mediterranean University, 2000.

WORK EXPERIENCE

<u>Name of Employer</u>	<u>From</u>	<u>To</u>	<u>Type of Work</u>
Eastern Mediterranean University /Department of Civil Engineering	06/03/1989	14/10/1994	Materials of Construction Laboratory assistant
Eastern Mediterranean University /Department of Civil Engineering	01/09/1994	01/9/1999	Ph.D. research assistant.
Eastern Mediterranean University/Construction Department of Working Capital	01/9/1999	07/07/2000	Construction Supervisor
Eastern Mediterranean University/ Department of Civil Engineering	06/10/2000	13/2/2001	Part-Time Lecturer of CE 101 Civil Engineering Drawing
Cyprus International University (CIU)/ Department of Civil Engineering	01/10/2001	01/10/2003	Chairman, Department of Civil Engineering (Assist. Prof.)
European University of Lefke (EUL)/Department of Civil Engineering	06/10/2003	05/11/2006	Chairman, Department of Civil Engineering (Assist. Prof.)
European University of Lefke (EUL)/Department of Civil Engineering	25/06/2010	01/09/2015	Associate Professor, Department of Civil Engineering
Eastern Mediterranean University/ Department of Civil Engineering	15/09/2015	02/03/2019	Associate Professor, Department of Civil Engineering
Eastern Mediterranean University/ Department of Civil Engineering	06/03/2019	Present	Professor, Department of Civil Engineering

EXPERIENCE

1. Teaching, tutoring & presenting academic material in the field of Civil Engineering.
2. Preparing and operating the laboratory sessions in the fields of materials of construction.
3. Senate Member.

COURSES TAUGHT AT EASTERN MEDITERRANEAN UNIVERSITY, EUOROPLEAN UNIVERSITY OF LEFKE, CYPRUS INTERNATIONAL UNIVERSITY

Introduction to the Profession, Materials Science, Principles of Transportation and Traffic Engineering, Concrete Technology, Engineering Graphics, Materials of Construction, Engineering Economy, Construction Engineering and Management, Introduction to Calculus I, Cement Replacement Materials, Advanced Materials of Construction, Soil Mechanics, Reinforced Concrete Fundamentals, Total Quality Management, Admixtures for Concrete, Technology of Ready Mixed & Precast Concrete, Advanced Concrete, Statics, CAD, Engineering Drawing, High Strength Concrete, Admixtures for Concrete, Fiber Reinforced Concrete, Repair and Maintenance of Concrete.

RESEARCH INTERESTS

- Building Materials
- High strength concrete
- Fiber reinforced concrete
- Concrete technology
- Concrete making materials
- Cement replacement materials

REFEREED INTERNATIONAL JOURNAL PUBLICATIONS

1. Çelik, T., Marar, K., “Effects of Crushed Stone Dust on Some Properties of Concrete”, Journal of Cement and Concrete Research, Vol. 26, No. 7, Elsevier Science Publications, June, pp. 1121-1150, 1996. (Science Citation Index)
2. Eren, Ö., Marar, K., and Çelik, T., “Effects of Silica Fume and Steel Fibers on Some Properties of High Strength Fiber Reinforced Concrete”, Journal of Testing and Evaluation, ASTM, Vol. 27, No. 6, November, pp. 380-398, 1999. (Science Citation Index)

Lim and Xiaohong Zhu Editors, Vol. 206, Chengdu, China, April 13-15, 2018.

RESEARCH PROJECTS

1. Joint Project with Department of Civil Engineering of EMU on checking the quality of Gravel and Aggregates produced in North Cyprus (2005).
2. “Challenges in Turkish Property Sector and Housing Market Under Changing Economic Conditions: A New Approach for the Contribution of Preparation, Adaptation, and Improvement Studies During the Transition Process of Mortgage System”, (Project Director, EUL, Dec. 2005-Dec. 2006). Funded by TUBITAK (SOBAG-105K002).

MASTER THESIS SUPERVISED

1. Utku Erkan, "Critical Factors Affecting the Processes of Alliance Project Organizations: a North Cyprus Perspective", Fall 2008-09, EUL.
2. Ali Asghar Ashrafi Soltan Ahmadi, “Effects of Quartz Powder as a Partial Replacement of Cement on Fresh and Hardened Properties of Normal and High Strength Concretes”, January 2018, EMU.
3. Mohamad Naser Aldin Borghol, “Effect of Polystyrene as a Partial Replacement of Normal Coarse Aggregate on Fresh and Hardened Properties of Self-Compacting Concrete”, May 2018, EMU.
4. Mohamad ALzohbi, “Effects of Waste Polyethylene Terephthalate as a Partial Replacement of Normal Coarse Aggregate on Fresh and Hardened Properties of Concretes”, May 2018.
5. Abdul Hadi Alzaylaa, “Effect of High Density Polyethylene Plastic (HDPE) and W/C Ratio on Fresh and Hardened Properties of Self-Compacting Concrete”, August 2018, EMU.
6. Lu'ai Mohammad Hamad Al-Qatamin, “Experimental Study on the Effects of Addition of Polypropylene Fibers on Mechanical Properties of High Strength and Normal Strength Concrete”, January 2019, EMU.

PHD THESIS SUPERVISED (CO-SUPERVISOR)

1. Abdulhameed Umar, Abubakar, “Microcracking Behavior in High Performance Steel Fiber Concrete under Uniaxial Compression”, July 2018.

CONFERENCES ORGANIZED

Took place in the organization of various conferences:

1. 1st Technical Congress Advances in Civil Engineering, October 25-27, 1993 held in Eastern Mediterranean University.
2. Fourth International Conference on Concrete Technology in Developing Countries, November 7-8, 1996 held in Eastern Mediterranean University.
3. 3rd FAE International Symposium, “Creating the Future”, held on 25th November 2004. Organizing, Reviewing, and Scientific Committee Member.
4. 4rd FAE International Symposium, “Creating the Future”, held on 30th November 2006. Organizing, Reviewing, and Scientific Committee Member.
5. Member of Organizing and Scientific Committee, FAE 3rd International Symposium – Creating the Future, Nov 25-26 2004, Gemikonađı, Lefke, TRNC.
6. Member of Organizing and Scientific Committee, FAE 4th International Symposium – Creating the Future, 30 Nov – 1 Dec 2006, Gemikonađı, Lefke, TRNC.
7. Associate Editor and Member of Organizing and Scientific Committee, FAE 5th International Symposium *ARCHENG* – Creating the Future, 27-28 Nov. 2008, Gemikonađı, Lefke, TRNC.
8. Associate Editor and Member of International Scientific Committee, ACE 2008, Eighth International Congress on Advances in Civil Engineering, 15-17 September, 2008, EMU, Gazimagusa, TRNC.
9. Associate Editor and Member of Organizing and Scientific Committee, FAE 6th International Architecture and Engineering Symposium – CENG’10 Civil and Environmental Engineering, 25 – 26 Nov 2010, Gemikonađı, Lefke, TRNC.
10. Editor of the 7th International Symposium on Civil and Environmental Engineering “Creating the Future”, Gemikonađı, TRNC, 29-30 November 2012.

SCIENTIFIC RESEARCH COMMITTEE MEMBERSHIP

European University of Lefke representative in the TRNC Scientific Research Projects Evaluation Commission under the Support Programme for Research in Higher Education (by TRNC Ministry of Education and Turkish Republic Help Commission, 2006-2011).

OTHER ASSIGNED DUTIES DURING THE LAST THREE YEARS

1. Consulting Services under Working Capital at EMU.
2. CIVL300 Summer Practice Coordinator at the Department of Civil Engineering at EMU.
3. Transfer committee member at the Department of Civil Engineering at EMU.
